

## Belmond Grand Tour of Southern Africa

*Belmond's African escapes encompass an iconic Cape Town hotel and three safari experiences in Botswana.*

At **Belmond Mount Nelson Hotel**, life is all about relaxation. Laze in the heated pools surrounded by gardens, enjoy imaginative cuisine in the acclaimed restaurants or hone your skills in an art class.

Belmond's three safari lodges are set in the unspoilt wilderness of northern Botswana. This is where the Okavango Delta floods each year, attracting an incredibly diverse variety of wildlife.

At **Belmond Eagle Island Lodge**, completely rebuilt and designed as an explorer's base, you can drift through the watery landscape on a *mokoro* canoe.

Elephants are, not surprisingly, the main attraction at recently relaunched **Belmond Savute Elephant Lodge**, located in the Chobe National Park.

At **Belmond Khwai River Lodge** in Moremi Reserve, espy giraffe, buffalo, lion, leopard and wild dogs from the lodge's rooms overlooking the floodplains.

### Green with envy

Muzo Colombian Emeralds combine with pretty Argyle Pink Diamonds in this stunning platinum cocktail ring. The central round-cut Muzo Emerald (10.11 carats) is surrounded by a halo of Argyle Pink Diamonds in a domed setting of round-cut white diamonds (totalling 1.85 carats), interspersed with 1.18 carats of marquise-cut Argyle Pink Diamonds to form a paisley-style pattern. Muzo Emeralds, considered to be the national pride of Colombia, are steeped in the tradition of the mines that carry the same name. So too are Argyle Pink Diamonds, one of Australia's most precious and rare gemstones. This extraordinary piece is available to purchase from Sydney jewellery and watch specialist, J Farren-Price, retailing at AU\$338,000. [jfarrenprice.com.au](http://jfarrenprice.com.au)

# VOYAGES TO REALMS RARE AND REVERED

### *Ireland and the British Isles* 21 Days – Dublin to London

We make our home at the 800-year-old Ashford Castle, taking pleasure in its green lawns and ancient woodlands. Aboard Silver Cloud, the mysterious landscapes and lingering sunsets of the Isle of Skye also captivate us. Then, in true Captain's Choice fashion, we conclude our journey by entering London via the Thames and docking at London Bridge.

With the sun streaming in through Tromsø's Arctic Cathedral, we enjoy a concert of Norwegian folk music and classical compositions.
